The present rate for basic obedience group training is **$395**. The fee is due and payable in full, prior to your first session. This fee will grant you access to our group classes for one year. All owners must show proof of their dog's shots before coming onto the property. This class focuses on obedience training and all behavioral problems are addressed at our monthly seminar. If you have specific issues with your dog, we suggest you inquire about our Private or In-Board course. Classes currently meet once a week for one hour. Assertive K-9 Training Kennels has the right to dismiss anyone from class permanently, if it is determined a handler is demonstrating mistreatment to his or her dog, or if a dog is aggressive towards other dogs or students. This class is designed for our skilled trainers to 'show' owners how to train their own dog.

Aggressive dogs will not be allowed in class. If your dog displays aggressive tendencies towards either people or other dogs, you may be dismissed from class permanently. No refunds.

Please wear tennis shoes or hiking boots to class. We do not allow high heels, sandals, or any open toed shoes. For health and safety reasons, please do not allow your dog to sniff or play with any pup or dog on the kennel property. Please do not wander around the grounds. **All children under 12 years of age must have a second adult present to supervise them.**

I have executed the Waiver and Release for Entry to Premises and further release the trainers, assistants, helpers, and all associated with Assertive K-9 Training Kennels, LLC of any and all liability of any nature, for injury or damage or loss resulting from the action of any dog or any person in connection with the training.

There will be no refunds of money collected for any reason. All funds are non-refundable and non-transferable. Thank you for taking our group class!
I hereby agree to the foregoing as owner or handler of the above named dog.
